&Then Design—Leaning Man
A simple, honest and charming side table. The Leaning Man collection, designed by Frank Flavell compliments new work by &Then along with their original collection.
www.andthendesign.co.uk

Assemblyroom—AR002 Sofa
The AR001 armchair and AR002 two seater sofa are minimal contemporary pieces whose influence is drawn from 1950s utilitarian design and which are upholstered in sustainable British contract fabrics.
www.assemblyroom.co.uk

COAL Design—Betty Stool
Hexagonal low stool upholstered in a range of two-tone colour combinations designed for break-out areas as well as domestic environments.
www.coaldesign.co.uk

Dare Studio—Katakana Chair & Desk
The Katakana Chair & Desk in solid American black walnut or European oak offer practicality, functionality and sophistication to the most discerning interior.
www.darestudio.co.uk

ME Design—Vernon 14 Desk
A handmade bespoke home office desk, made using American white oak and with spray lacquered desk top and inset panels.
www.matteltondesign.com

Lina Meier—BarDeco Lamp
Lina Meier is launching a new table lamp as part of her BarDeco collection. The lamps and coat hanger are available in both black and white.
www.linameier.com

Gareth Neal—Block Bench
These Sculptural forms crafted in the UK from solid oak are made to order to any size or practical requirements. The scored and eroded exterior gives these unique pieces an individuality suitable for any interior environment.
www.garethneal.co.uk

Patternity—Shift Coffee Table
A collaboration between surface design specialists Patternity & British furniture maker Toby Winteringham.
www.patternity.co.uk

Scene—Doris Nesting Tables
A family of side tables in three different heights made from powder coated aluminium with an individual linear design running over both sides.
www.scenedesign.co.uk

warm—Ramen Stool
Now available in three new colours: equally at home in living rooms, libraries and art galleries. Combined with others it shapes various playful formations throughout the room it inhabits.
